Dear Prof. Dr., Bambang Suryanto, MBA, PhD,

Welcome to UNA-UK!

You have joined a movement of almost 20,000 people from across the UK, who care deeply about global issues. As a member, you are supporting our work to make sure that our government plays its part on the world stage.

We're about to send you a welcome pack which includes a brand new issue of our magazine with commentary from senior UN officials, academics, journalists, pollsters, scientists and activists. For a preview, click [here](#). You will also **receive a membership card** alongside details of our campaigns and upcoming events throughout the year.

Keen to get more involved? Here are two things to do right now:

1. Score the UK Government. We would like to know how you think the UK is doing – complete our interactive scorecard at una.org.uk/scoretheUK.
2. Engage locally: we have over 100 local UN Associations on campuses and in communities across the country. To find one near you, click [here](#).

Thanks for joining us. We can't wait to work with you on holding our government to account on global issues, reforming the UN to make it fit for the 21st century and sharing its work with people across the UK.

We'd love to hear how you're getting on, so tweet at us @unauk or drop us an email at info@una.org.uk.

We look forward to hearing from you.

Best wishes,

Laurel Hart
